Dear Sirs:

### **Sub: Company Updates**

Pursuant to the provisions of Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, (the Regulations) we wish to inform as follows:

On account of the complete lock down announced by the Central and State Governments to fight against the COVID-19 situation, the Plant operations have been shut down from 27<sup>th</sup> March 2020, until further notice.

Since the restart would depend on directives from the Governments and return of normalcy, the period of closure of operations is not known at present. Hence its impact on the performance of the Company is unascertainable at this point in time. The Plants are manned with minimum personnel for safety, security and related purposes, duly following the Government guidelines. Wherever possible 'Work from Home' has been adopted for administrative and other support functions.

The situation is being monitored closely and suitable actions would be taken based on exigencies and regulatory requirements. The Company will notify further updates in this regard in due course.

We request you to kindly take the above on record.

Thanking you

Yours faithfully

For Manali Petrochemicals Limited

R Kothandaraman

Company Secretary
