Dear Sir,

Sub: Disclosure of material event under Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015 - Disruption of operations at the Company's manufacturing facilities at Manali due to floods.

We write this to inform you that due to recent "Cyclone Michaung", heavy rains, power disruptions and other resultant & consequential factors, our plant premises at Manali location in Chennai have been flooded and accordingly, we have shut down our Plant 1 and Plant 2 manufacturing facilities at Manali effective 4th December 2023.

We are taking necessary measures in coordination with relevant team/authority(ies) to bring the normalcy situation and to resume the operations in a phased manner, subject to receding of water level, resumption of normalcy in power supply, material movements etc. At this juncture, we are unable to quantify the impact of this disruption. Necessary steps have been taken with Insurance Companies.

We could not provide this communication earlier to the stock exchanges due to non-availability /non accessibility of communication system and the abnormal situation arising out of natural calamity "Cyclone Michaung".

We shall keep the exchange informed once our plant resume operations and other communication as may be required under SEBI circular SEBI/HO/CFD/CFD-PoD-1/P/CIR/2023/123 dated 13th July 2023.

We request you to kindly take the above on record.

Thanking you,

Yours faithfully,

For Manali Petrochemicals Limited

R Swaminathan
Company Secretary
