Dear Sir,

Sub: Updates - reg

We wish to announce that our operations at Plant 1 and Plant 2 have been officially accredited with the ISO 45001:2018 certification, awarded by Det Norske Veritas (DNV), a globally recognized certification authority.

This certification underscores our unwavering commitment to the highest standards of occupational health and safety (OHS) across all levels of our organization and highlights our strong governance, proactive risk management, and dedication to sustainable practices. As the globally accepted benchmark for Occupational Health and Safety Management Systems (OHSMS), ISO 45001:2018 provides a comprehensive framework for identifying, assessing, and managing workplace health and safety risks proactively.

Achieving this milestone is a testament to the effectiveness of our internal controls, dedication of our teams, and our continuous improvement mindset. It reaffirms our commitment to protecting the well-being of our employees, contractors, and stakeholders while fully complying with all applicable legal and regulatory requirements.

Importantly, this accomplishment further aligns with our Environmental, Social, and Governance (ESG) priorities, integrating safety into our broader sustainability agenda. By fostering a safe and healthy work environment, we not only mitigate operational risks but also build trust, resilience, and long-term value. enhance organizational resilience, stakeholder trust, and long-term value creation.

We remain dedicated to maintaining these high standards and will continue to invest in systems and practices that support our vision of responsible, sustainable, and inclusive growth.

Though the above intimation is not mandatory under SEBI Listing Regulations, 2015, it is being made in the interest of good corporate governance and transparency.

We request you to kindly take the above on record.

Thanking you,

Yours faithfully,

For Manali Petrochemicals Limited

G Sri Vignesh
