Dear Sir/Madam,

Sub: Intimation under Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

We wish to inform that we are in receipt of Final Order from CESTAT dated 23<sup>rd</sup> March, 2026, allowing the appeal filed by the Company against the order of the Adjudicating Authority, DRI, Mumbai, during July 2019, which had confirmed a customs duty demand of Rs. 3.83 crore (plus interest) on the import of Quicklime, alleging misclassification under CTI 2825 9090 instead of CTI 2522 1000 as declared by the Company.

The Tribunal upheld the Company's classification under CTI 2522 1000 on the ground that the Calcium Oxide purity of the imported goods ranged between 91%-95%, which is below the 98% threshold required for classification under CTI 2825 9090, and accordingly set aside the demand in its entirety.

The said Order is in favour of the Company. The financial impact on writing back of the provision made is being assessed and the Company shall take appropriate steps as applicable.

The Company shall keep the Stock Exchanges duly informed of any further material developments in this regard.

We request you to kindly take the above on record.

Thanking you,  
Yours faithfully,
